### 👤 PROFILE

QA Automation Engineer with 6+ years of experience in web and API testing using Selenium (Java), WebDriverIO, Cucumber BDD, Postman, and SQL for data validation. Proficient in Maven, Git, Perforce, JIRA, and reporting tools, with a strong record of delivering quality software in Agile/Scrum environments.

### 📁 PROFESSIONAL EXPERIENCE

#### Software Engineer II, Electronics Arts

Nov 2023 – present

- Designed and developed automated test cases using the WebDriverIO–Node.js framework.
- Utilized Perforce for version control, ensuring efficient collaboration and code management.
- Performed regular maintenance and defect fixes for the regression test suite to ensure stability.
- Leveraged GitHub Copilot to refactor and optimize existing code for improved readability and performance.

#### Software Engineer, Wipro Limited

Mar 2022 – May 2023  
Hyderabad, India

- Performed manual API testing using Postman to validate the quality, reliability, and functionality of RESTful APIs.
- Developed Early Integration Testing (EIT) scripts to validate API functionality in the early stages of development, enabling faster feedback and improved quality.
- Created and executed System Integration Testing (SIT) scripts to verify end-to-end API functionality in a production-like environment.
- Uploaded test results and documentation to PractiTest, ensuring stakeholders had timely access to accurate testing progress and outcomes.

#### QA Engineer, Tecra System Pvt Ltd

Oct 2018 – Jan 2022  
Hyderabad, India

- Designed, developed, and maintained Web UI automation scripts using Selenium (Java), Cucumber BDD, Maven, and Git, including browser compatibility testing and result analysis with Extent Reports.
- Ensured timely resolution of critical/high-priority defects before UAT and maintained clear reporting through JIRA.
- Collaborated closely with the client's Scrum team, actively participating in sprint ceremonies and coordinating defect resolutions and clarifications.

### 🧠 SKILLS

Selenium | Java | Maven | Post Man | Git | JIRA | SQL | Rest Assured | WebDriverIO | JavaScript

### 🎓 EDUCATION

#### Bachelors of Technology | Electronics and Communication Engineering (ECE), H.I.T.A.M

Jun 2014 – Aug 2018  
Hyderabad, India
